ReStore – Part of Habitat for Humanity

Every family needs a place to call home. A place where they can dream, grow and become part of their community. But for many families, no matter how hard they work and try, having a home of their own will always be out of reach. ReStore – Part of Habitat for Humanity ReStore is a retail outlet where quality used and surplus building materials are donated by individuals, businesses, contractors, and other organizations who wish to show their support for Habitat. Products are then sold at below retail prices. Proceeds from ReStore help fund the Salt Lake Valley Habitat for Humanity mission of eliminating poverty housing within our community.
