

State Workforce Services

Workforce Services

Today, more than 2,200 Workforce Services employees assist individuals in preparing for and finding jobs, meeting workforce needs of Utah businesses, administering temporary assistance, and providing economic data and analysis.

Through a collaborative approach, the department has served millions of Utahns and has become a leader on several statewide initiatives. These include intergenerational poverty, homelessness, affordable housing, supporting refugees, helping rural communities, serving veterans and individuals with disabilities, and getting Utahns trained and back to work.
